

# Orinoco Swap Shop 09/06/07

80 people came to the Swap shop held at the Bullingdon Community Centre. This is another fall in attendance. However the Swaps seem as busy as ever.

Recording the weight of donated stuff was difficult but we're confident that we took in around 380kg of unwanted goods on the day and had collected 60kg in advance. At the end of the swap we were left with around 225kg of goods: 160kg were donated on for consumer re-use (charity shops); 5kg was sent for recycling (metal); 60kg was sent to landfill.

In total the swappers took away 215kg of stuff that would otherwise have been binned. All these lovely items are now enjoying a new lease of life.
